Dundee

Another month has passed us by here in the wonderful city of Dundee – and what a month it’s been! Hazel Dean rocked and I managed to get an interview with her for my radio show when she’d finished gigging the Gauger, so thank you Ross and the team for that – it’s great to see that someone is doing something positive for the gay scene in Dundee, and to bring Hazel Dean to the city was quite a mean feat – I certainly appreciate it! Another person who’s doing positive things for our scene is Jaye Dunn, who just announced the launch date of our very own magazine for the City of Discovery, Gospel! And after a whole month of being out on the lash celebrating my birthday, I’d planned to stay in for a week and relax and recover, but oh no, there’s too much going on to know what they say, so you lose! The first date for your diary is 8th May, the Dundee Bar of the Month. The gay magazine for Dundee Bar of the Month is promising to be a great night, and I’ve managed to get some cracking entertainment for the evening – be there or be square! Another night in Brooks that’s going to be a host is 21st May, Miss Leslie Lash will be keeping you all on your toes with her witty banter – don’t forget, Brooks won’t charge you to get in on a Saturday night, and they’ll even hang up your coat for free! So far we’ve had Army, Lady Gaga, Playboy Bunnies and Cowboy/Cowgirl to name but a few. I’ve not managed to check it out yet but I’ll be heading there this weekend – I’ll let you know how I get on!

Make sure you head to Out nightclub on a Wednesday – Wicked Wednesdays – and wicked it is, it’s an absolute institution to get in and they’ll even hang up your coat for free! I had a week pub crawl on Thu, went out to See and listen to DJ Janie Tuckers of Kazakas – I’ve put the past few Thursdays, when I’ve had a good old sing along from Scuze & Crazee. If you fancy jazz, on one night she’ll manage to get me to sing, either way, come along – it’s a brilliant night.

EDINBURGH

is it really May already?? Very much the month of the year. The media’s buzzing with election fever, and record numbers of young people are apparently turning out to vote. We’re all on tenterhooks as to what the result will be on the 6th! And then of course, May is my own big day – only a few weeks left ‘til marital bliss!! And here’s what else is going on! It’s all go at Pritsella’s this month, with a plethora of entertainment to keep you all going! Check out our fab tabs attached, from Pritsella’s March Gay last month, Fredly, on Sat 29th and Sunday Round CI. On Sun 16th May, there are hosting a Covent Gypsy Evening, with a twist of course! They are also hosting a Pyjama Party fundraising night on Sun 16th May, raising funds for the Macmillan Charity. And on Sat 22nd May, drag sensation Miss Scarlett will be performing her best of live vocals and cheeky humour. They are also starting a ‘mystery song’ on Sundays with the song last year, hope the pot standing at £50 at this moment – increasing by £10 every week until the end of May! Other top news for Pritsella’s is that DJ Lynne and her Monday Round Club have now relocated there from Planet. No more Monday Club at Planet – apparently the management are cutting costs to pay for that extra bus fare they’ve had to put in, due to the Saturday night buses which were becoming a bit of a regular feature. So Pritsella’s needs stepped into the breach, and hosting Monday Club and as well as selected drinks for £1, they’ve also got a giveaway a free food. Result!! They also have Jamie hosting karaoke on Tue, and Jamie Lee Mon- key singing a tune on his Wed and Thu karaoke nights.

had occasion to undertake The Street’s quiz last month, which was a whole heap often hosted by scene fav. Trendy Wendy. Starting at 8pm on Wed nights, it features 4 rounds including a sensational music round. And the twist of course is that the winners get a £50 tab, and the second prize is a choice of two boxes. We came second, and our prize was a very nice bottle of something. A highly enjoyable night it thoroughly recommended! Also fab news for those (ahem slotted) sunny nights – The Street now have a new pavement licence. So one can enjoy an apple Martini whilst checking out the passing talent! And there’s also a quiz on at Ebor on Tue evenings. Just the ticket for those wanting to test their grey matter over a tipple or two.

news at the Regent – they are celebrating CAMRA’s M6th Month in May with a few dark mild ales making an appearance over the next month – Brewer’s Dark from Leics Manning and Thatchers Nutty Black from Blackburn. Go on, try yourself!! Also, look out for Camdenian’s Flying Dutchman, a wheat beer flavoured with coriander, orange peel and liquorice. Delicious! The Regent Showcase also returns on Tue 11th May (from 9pm-Midnight), an acoustic night featuring local singer/songwriters.

Alan Jay’s 3rd original JOY Mix (dating from 1996) will be on sale. The single is being sold in St. Pauls. Covent Garden and Camden. A great night out on the Tuesday night of the month! They are also having an 80’s night on Sun 14th May, with a live PA from legendary Sex Pistols band. By which time I’ll be on a plane to our honeymoon in Thailand! Result. If you fancy something a bit different, then here’s what you could do. Unfortunately, there is only 1 night that is not mentioned here. The Regent Bar Quiz hosted by quiz mistress ex - gent from May 1995) will be on sale at GHQ, The Street, Ebor & Cafe Habana. It’s more on the door! (£7/£8).

Rhubarb’s women’s night Fun- burgar this month celebrate their 5th birthday!! It’s been a furrowed 5 years or so, forcing the club night to recreate several times. But this has not prevented the Funky House or Departed from bringing the ladies all the aural stimulation they can handle! Last time, and they have carried a theme for themselves as a dependable night of great music, great ladies and great fun!! The birthday bash is on Fri 5th May, with a real host of acts from 11pm till past your bedtime. And if you need any more incentive to go along, then the ladies are offering free tickets to the first guests at the front. See you there – the ladies are apparently turning out to vote.

Your first £5 is FREE, then billed in £5 in segments in advance.

On Tue 25th May. It would be advisable to get out of the way of the grey matter you’ll find on a Tue evening, get down to the Regent to quiz on at 7:30pm. The quiz on 25th May. It would be advisable to get there by 7:30pm as this one fills up very quickly!!

Just the ticket for those wanting to test their grey matter over a tipple or two. And the word is...
