Hello again. I am still the same person by the way; I didn’t get married or anything crazy. I was instead at Caroline Shaw last month but am Caroline Shaw now, was then and always will be!

So we have had some wonderfully warm weather in the Highlands and I have been enjoying the great outdoors. I have been hiking, walking, visiting Chinese lanterns into the night sky and enjoying the company of friends and all without thermal underwear.

My colleague Katrina would like to let folk know about Angel and Bute. Calling all LGBT people living in the Highlands and Islands area! Campbeltown, Sat 12th June, 1pm. We want to hear your views. You’re warmly invited to come and meet others in a safe and supportive environment. Let’s create some new LGBT social and support networks in Angel and Bute! Please book your place early if you’re coming, so we know how many folks to call. Call or email Katrina: 07818 287053 or E-mail: katrina.mitchell@tht.org.uk for more information. Argyll & Bute LGBT online Group. LGBT group which meets monthly in Inverness has a couple of new folk coming along and we welcome more. The group are planning to go to Pride in Glasgow and one of our members is organising picnic parties for sunny, summery weekend days ahead.

I hope that you’re all making the most of the sunshine. I’m off to listen to those cuckoos, to gaze at the beautiful lush green leaves and to munch a rather nice fruit salad leaves and to munch a rather nice fruit salad that I made earlier. Bye for now...

Hey all! I can’t help but notice how everyone’s suddenly got the sun in their face and natural vitamin D is coursing through all our veins! And when the sun begins to set, our spirits become illuminate again. Winter hibernation is over, and our vigour, and top of John’s managerial passion and positivity – just venues have plenty to keep you going after again. Winter hibernation is over, and our 21st May, which went down a storm and that place. I came in to see John on his first of familiar scene-trollops came to visit. A of Edinburgh, there was yours now)!!
