4 reasons why you should make a will

People often don’t realise who might get their assets after they die, and more importantly who might not. Who is in charge of your funeral, and who isn’t?

Making a will is a sign of respect for yourself and your loved ones. In making a will:

1. You get to make decisions that you are happy with
2. Your decisions for your life are protected
3. You can make tax savings by arranging your affairs properly
4. You can protect people you care about
