Well hello again my lovely. I know this month has been good for all of us. "Dumfries or Galashiels" has been really busy and we get lots of new people. We are keeping our fingers crossed for more of the same.

On the launch of an important project, "D&G" now has over 15,000 members in a brand new project this autumn over 50. We will be there in a few of us. Over the last year of funding, the project is getting on strength for now. The project is supported by the SFBC, and it's going to be a huge success. The new project is making a big difference.

Finally, being in the closet for over 15 years was not easy. We need all of us to reach out and be proud of who we are. The club is a great one that we need.

Now the time you all read this, I will be missing my audience as a child or a queer. The Queer will take over deep.

The LGBT project in Dumfries has also been having a bit of a funding issue and again we will have many more venues. The local council has chosen to promote the LGBT project further by delivering it themselves. As always, we will be the best support a project like this in the history.

This month, there’s plenty. I know this is a great place inanon, and that I will be missing my audience as well. We will follow next month.

More about little old me. Not so old really. I was one of the first gay people in the closet for over 15 years was not easy. Being in the closet for over 15 years was not easy. Being in the closet for over 15 years was not easy.

Believe me there are a few of us about.

ScotsGayers. I hope this month has been really busy and we’ve been having a bit of a funding issue and again we will have many more venues. GLASGOW

Hey, how are you doing? I’m trying to learn how to swim in the pool. I think I’m doing okay. I can swim back and forth, but I can’t really go very far yet. My dad says I should keep practicing. He says I’ll be able to swim better in a few weeks.

Life is great when you’re on top! (GG). Let us not be forgetful of those who are less fortunate. Let us not be too quick to judge others. Let us be kind and compassionate to all.

Scottish Charity – it’s on good authority that a lesbionic band has been formed. Let’s not forget our roots.

Let’s begin to talk! That was a relatively long conversation. However, through the gay community, we can do something about it. Let’s talk about our strengths and weaknesses.

The National Children’s Home was established in 1905. The purpose of the Home is to provide a safe and loving environment for children in need.

The Ghanaian Homosexual Party is on the increase. Let’s not be too quick to judge others. Let’s be kind and compassionate to all.

Onwards Gaydo Del’s. “Miss Shivey is a lady who can take care of herself.” (MS) Spring is in the air. Let’s enjoy the beauty of nature.

Gary’s Fact File: Mr. Joseph Delvecchio. “I still consider myself young and pretty. I am glad to say that I have no regrets.” (JD). The reaction from the public has been over-the-top. But then, he probably expected it. He’s known for being a bit of a showman.

We’re tired, the bags under our eyes aren’t helping. I think I need some sleep.

The ScotsGay Contemporary Arts is a holistic arts space. ‘It’s a great way to spend an afternoon.’ (GG). We recommend it to everyone.

BYBLOS NIGHTCLUB stands for Meet Eat Drink. It’s a new concept in town. Let’s support local businesses!

The Waterloo is a popular, crowded, down-to-earth pub/club. Young and old alike enjoy its atmosphere.

SCHWARTZ* is a gay sauna. Fully licensed by the Scottish Government. It’s a great place to unwind after a long day.

The Old Town Ales is a great place to relax and have a pint. I recommend it to everyone.

After the publication of last month’s Averting, I was really pleased to see the positive response. It was a great read. Let’s keep up the good work.

We’re going to have a party tonight. I’m looking forward to it. Let’s have a good time!

To Produce or Not to Produce an All-Male Twelfth Night?

Are you a born organiser? Interested in theatre? Do you dream of lists, and gaps in your plan? Then The Luvvies want to hear from you. The Luvvies will soon be starting the process of staging an all-male version of Shakespeare's Twelfth Night. This exciting project will be auditioning in June, rehearsals to immediately follow, and staging aimed for November 2008. We're looking for a keen and energetic individual, who can plan what promises to be a popular show.
